Subject: Verification

The U.S. Embassy Ottawa occasionally contacts petitioners and client companies involved with Non-Immigrant visa petitions in order to verify that information presented to the U.S. Consulate is accurate and valid. Please note that the H1B petition was filed by [redacted] would greatly appreciate if you would answer the following questions:

Applicant:

Who does the applicant report to for work assignments?

Who completes the applicant's progress reviews?

Does the petitioner have the ability to hire, pay, and fire the beneficiary?

Who controls how the beneficiary will complete daily tasks?

How long has the applicant been working at the end client site?

Method of payment, benefits and taxes

Does the petitioner supervise the beneficiary on-site or off-site?

How does the petitioner maintain supervision?
